Dear Parents,

Last Sunday we took part in the Sheering Remembrance service at the Memorial where some of our children presented our poppy wreath on behalf of the children, parents, staff and governors. Thank you to everyone who came to the service and for the children who represented the school so well on this very important occasion. In school, we related the heroic acts of the soldiers to our Christian value of Service; some of our older children had the opportunity to further demonstrate their responsibilities in school by meeting and greeting prospective parents and making them tea or coffee. It has been good to see the children enjoying the responsibility of being a prefect and to be such AWESOME role models for the rest of the school.

Thank you also for your support with Children in Need today. The children enjoyed wearing their spotty accessories but when they were reminded that the money raised goes to help other children, we took a moment to be thankful for the things that we have before we said our school prayer together. We had a wonderful surprise when Pudsey came to visit us at the end of the day.

Happy Book

In the Happy Book this week; Leia wanted to thank Aviana for helping her when she tripped in the playground; Aviana thanked Leia when she was lonely; Mr Kennard and Lilly wanted to thank Archie for all his hard work and to tell him how proud they are of him; I thanked all the children who took part in the 'meet and greet' sessions for the prospective parents this week and I also thanked the children and families that came to represent the school by presenting the poppy wreath during the memorial service on Sunday.
