Friday 8th November 2024

Dear Parents,

I hope you had a good half term break. It was lovely to see the children refreshed and ready for the second half of the term; we have many events planned which are listed under 'dates' at the bottom. Our Christian value for this term is Service and we celebrated many children who have been of service to others, during Team Assembly this week.

All classes have had the opportunity to take part in an opera or ballet lesson this week which was streamed live from the Royal Opera House in Covent Garden. As part of our new music curriculum, the children will be participating in these live lessons throughout the year allowing them to broaden their musical knowledge, watch live performances and ask the performers questions.

Wraparound Care

We are in the process of working with developers from Essex County Council to arrange wraparound care at Sheering school. Parents will have the opportunity to have childcare in school from 8am (breakfast club) and after school until 5 or 6pm. We would very much like you to respond to the survey that was sent out this week to help them gauge the need for the places before and after school. Thank you.

New Menus

We are pleased to welcome our new cook Mrs Turner on Monday, and she will be starting with our new menus which you would have received in a ParentMail yesterday. The menus are also on our school website.

Remembrance Service

It would be lovely if children from Sheering school could once again present the poppy wreath for the Remembrance Service at Sheering Memorial on Sunday 10th November at 11:50 am. The children do not need to be in school uniform and I will be there to show them what to do.

Happy Book

In the Happy Book this week; Lyra thanked Lacey-Mai for always being her friend; Leia thanked Aviana for helping her; Aviana thanked Leia for including her in her game; we wanted to thank the members of the PTFA for organising and running the two discos at the end of last term; I thanked the whole school for behaving safely and sensibly during the unplanned evacuation this week; Louie wanted to tell our cooks how much he liked the meatballs and Finley wanted to thank Ruby-Lew for being a good friend.
